

Tom Lombardo

Tom Lombardo is a Professor of Engineering and Technology at Rock Valley College in Rockford IL, where he has taught since 1989. In his "previous life" he worked as an engineer; designing and programming microprocessor-based measuring instruments in the machine tool industry. Dr. Lombardo earned an AAS (ET) from Jamestown Community College, a BT (EET) from SUNY Institute of Technology, an MS (Computer Science) from Binghamton University, and an Ed.D. (Instructional Technology) from Northern Illinois University. In addition to his teaching responsibilities, Tom also serves as Rock Valley College's instructional designer, where he helps faculty create educational materials and activities. Tom can be reached at t.lombardo@rockvalleycollege.edu.
